“Our approach is to treat the whole person rather than only focusing on the cancer itself. As part of this commitment, we offer complementary wellness therapies including acupuncture, cancer massage and nutrition counseling. This approach is at the core of our mission,” said Summit Medical Oncologist [Arvind Chaudhry, MD, PhD](#).

The Summit team includes Medical Oncologists Arvind Chaudhry, MD, PhD, Bruce Cutter, MD, Carolyn Aks, MD, Stephanie Hodson, MD, Mirela Andrei, MD, Janelle Bennett, MD, Surgical Oncologist Aaron Saunders, MD, MAS, DABS, Surgical Breast Oncologist Anne Kierny, MD, Radiation Oncologists Karie-Lynn Kelly, MD and Jonathan Sharrett, MD.

AON CEO [Todd Schonherz](#) stated, “We are excited to have Summit Cancer Centers join AON, through this partnership patients will continue to get high quality cancer care with enhanced services including diagnostic technologies, an oral oncolytic outpatient pharmacy providing home delivery of medications and care management services.”

Additionally, Summit goes beyond traditional medical care by collaborating with all healthcare professionals such as primary care physicians, acupuncturists, dietitians and naturopathic physicians helping to provide the best overall cancer care for their patients.

AON President & Chief Development Officer [Brad Prechtl](#), MBA added, “We are excited for the entire Summit Cancer Centers team to join our growing network of community oncologists helping to bring the very best in cancer care and treatment to patients, close to where they live.”

With a mission to ensure that everyone has access to exceptional cancer care, AON was founded by well-respected leaders in the oncology community with decades of experience helping oncology practices to thrive by providing proven solutions.

About [American Oncology Network, LLC](#)

American Oncology Network, LLC (AON) is an alliance of physicians and seasoned healthcare leaders partnering to ensure the long-term success of community oncology. Launched in 2018, the rapidly expanding AON network represents 102 physicians and 65 nurse practitioners and physician assistants practicing across 17 states. The executive management team of AON encompasses more than three decades of oncology practice management experience, enabling physicians to focus on what matters most – providing the highest quality care for patients.

The organization provides unique and comprehensive protocols for managing administrative procedures and enhancing ancillary services for its affiliates. AON is able to aggregate volume and attain economies of scale, as it guides its member physicians and practices through the transition to value-based reimbursement models that improve the patient experience and help to reduce the per-capita cost of cancer care.

AON also provides a unique model of physician led, community-based oncology management. With services such as a centralized specialty pharmacy,

diagnostics, pathology, fully integrated electronic medical records, a care management team and a variety of financial assistance programs, an alliance with AON ensures that patients' experiences will be at the very pinnacle of cancer care today.
