

American Oncology Network Expands Footprint in Georgia with the Addition of Low Country Cancer Care

September 1, 2020

Fort Myers, Fla., September 1, 2020 – [American Oncology Network, LLC](#) (AON), a high-growth national network of independent community oncologists, is pleased to announce that [Low Country Cancer Care](#) in Savannah, Georgia, a specialized practice dedicated to the care of people with cancer and blood disorders, has joined AON, effective September 1, 2020.

Low Country Cancer Care has four locations, including one office in Savannah and three satellite offices in Hinesville and Pooler, Georgia and Bluffton, South Carolina. The team consists of six providers including two medical oncologists, two physician assistants and two nurse practitioners who deliver a comprehensive range of treatment for patients diagnosed with cancer and blood disorders. With the AON affiliation, the practice will increase its current service offerings to their patients with expanded clinical laboratory and pathology services, an oral oncologic outpatient pharmacy and enhanced care management services.

About American Oncology Network, LLC: [\(AONcology.com\)](#)

American Oncology Network, LLC (AON) is an alliance of physicians and seasoned healthcare leaders partnering to ensure the long-term success of community oncology. Launched in 2018, the rapidly expanding AON network represents 88 physicians and 55 nurse practitioners and physician assistants practicing across 15 states. The executive management team of AON encompasses more than three decades of oncology practice management experience, enabling physicians to focus on what matters most – providing the highest quality care for patients.

The organization provides unique and comprehensive protocols for managing administrative procedures and enhancing ancillary services for its affiliates. AON is able to aggregate volume and attain economies of scale, as it guides its member physicians and practices through the transition to value-based reimbursement models that improve the patient experience and help to reduce the per-capita cost of cancer care.

AON also provides a unique model of physician led, community-based oncology management. With services such as a centralized specialty pharmacy, diagnostics, pathology, fully integrated electronic medical records, a care management team and a variety of financial assistance programs, an alliance with AON ensures that patients' experiences will be at the very pinnacle of cancer care today.
